Re: Notice of Ex Parte Presentation, MB Docket No. 02-144

Dear Ms. Dortch:

On September 22, 2003, the National Association of Telecommunications Officers and Advisors met with Peggy Greene, John Norton, Katie Costello and Kenneth Lewis, all of the Mass Media Bureau. Mr. Richard Treich of Front Range Consulting, Inc. accompanied the undersigned for this meeting.

The undersigned had requested the meeting to address issues perceived to be outside the scope of the current rulemaking proceeding which are of national interest to local governments in their capacity as regulators. In the course of such discussions, issues pertaining to operator compliance with FCC rules as well as processes relating to filings of FCC Form 1235 were raised, which appear to touch on matters addressed in the pending proceeding. This letter is filed in response to those issues.

Sincerely,

Libby Beaty
Executive Director, NATOA
